Newmarket

Mayor & Council

Some of the best parts of winter are the moments we share, whether it's time spent at the rink, enjoying an activity with family, discovering a new interest or taking part in a favourite community tradition.

This year's Recreation & Culture Winter Magazine offers plenty of inspiration for the months ahead. With programs spanning recreation, fitness, sports, arts and more, there are many opportunities to fill your winter with experiences you'll look forward to each week. Take time to browse the magazine, pick out some favourites and save the date for resident registration on Thursday, December 3 at 8 a.m.

Of course, there's much more to enjoy throughout the season. Winter in Newmarket is a great opportunity to explore our community, enjoy our outdoor spaces and come together for the events and traditions that make this time of year memorable.

Sincerely,

John Taylor
Mayor
