- Swim continuously, without stopping. If you need to take a break please stop at the end of the lane and move to the side.
- Choose a lane that is appropriate to your swimming ability/speed. Lanes are labeled (fast, medium, slow) however speeds will vary day-to-day depending on the other patrons you share a lane with. Please judge your speed relative to other patrons already swimming. You may be asked to move to another lane by the lifeguards to accommodate slower or faster lane swimmers.
