

Programmes for Scouts

Heritage Badge

Book a visit to your local community Museum. We are located in the historic 1884 North York Registry Office. Focus on Heritage Badge work will begin with a brief introduction about the North York Registry Office and Newmarket life in pioneer times from our replica log cabin setting. From the artifacts on display to viewing the Newmarket Historical Society Archives and Heritage Newmarket rooms will reveal to participants where to find information about the heritage of their community. To complement your visit, participants will be given the opportunity to put their history research skills to test with a mini Newmarket Heritage Research Hunt.

Cost: \$10/group

Handicraft Badge

Book a Museum visit for a guided tour followed by a Handicraft. To complement the Natural History studies on insects we will be creating Dragon Fly Pencil Wraps.

Cost: \$10/group

Dragon Fly Fact

Dragonflies are the fastest flying insects in the world. They can zoom around at almost 100 kilometres per hour.
