

COMMUNITY HELPER: *Museum Curator*

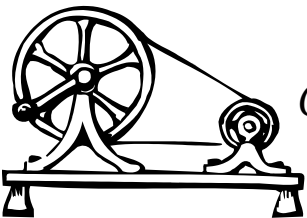

*Why do we have museums?
What does a curator do?
What is an artifact?*

Grade one students learn the answers to these questions and more. They have a chance to play with old-style toys and to become "Junior Curators" while handling and guessing the use of Museum artifacts.

This programme has been received with very positive feedback from all participants.

*To book your visit:
Call the Elman W. Campbell Museum at:
(905) 953-5314*

Offered Tuesdays and Thursdays

Duration of Programme:	1 hour
Cost:	Free
Number of Participants:	Minimum 16, Maximum 30
