**NOTICE OF PUBLIC INFORMATION CENTRE
FOR PROPOSED WATERMAIN REPLACEMENT
ON ANDREW STREET, ELLEN STREET AND WILLIAM STREET**

DATE: Thursday, February 9, 2012
LOCATION: Town of Newmarket Municipal Offices, 395 Mulock Drive, Council Chambers
TIME: 6:00pm to 8:00pm

A Public Information Centre is scheduled for Thursday, February 9, 2012 to discuss the proposed watermain replacement on Andrew Street, Ellen Street and William Street. This project is scheduled for construction in 2012 with the anticipated completion date in the late summer of this year. The format will be open house and you are invited to drop by anytime between 6:00pm and 8:00pm. The proposed works include:

- Removal and replacement of the existing watermain on Andrew Street, Ellen Street and William Street;
- Replacement of existing lateral water services and curb boxes within the road allowance;
- Surface restoration over watermain trench and other disturbed areas.

This project is expected to commence around the first week of May 2012, subject to a successful tender and contract award and should take approximately twelve (12) weeks to complete, weather permitting.

Project drawings will be on display and representatives from the Town's Community Services Commission and the Town's consulting engineers (R.V. Anderson Associates Limited) will be available to answer questions and provide information. Should you be unable to attend the Public Information Centre and have questions regarding this project, please contact Mr. Tom Ungar, P.Eng., Capital Projects Coordinator, Engineering Services, Town of Newmarket, at 905-953-5300 extension 2504, or by email at: tungar@newmarket.ca.

J. G. Koutroubis, B. Eng., P.Eng.
