Newmarket's Accessibility Advisory Committee Questionnaire 2009

We the Accessibility Advisory Committee for the Town of Newmarket are looking for your help in identifying any areas in Newmarket that you feel may not be very accessible to seniors and/or persons with disabilities.

Therefore, besides the obvious accommodations, e.g. wheelchair ramps and accessible washrooms, what other kinds of physical and non-physical barriers are faced by the residents of Newmarket?

The Accessibility Advisory Committee for the Town of Newmarket may only address those areas pertaining to Town property.

If you have an area of concern, please take the time to fill out this questionnaire or pass on the Accessibility Advisory Committee Information Sheet to anyone you know has a concern. You may also email the Town of Newmarket's Accessibility Advisory Committee at: Email aac@newmarket.ca
