NOTICE OF PUBLIC INFORMATION CENTRE

Lions Park Drainage Improvements

Dear Resident,

A Public Information Centre (PIC) is scheduled for Thursday, June 9, 2016 as part of a Schedule 'B' Municipal Class Environmental Assessment (EA) study to examine the opportunity to improve wildlife habitat within D'Arcy Creek and surface water drainage in Lions Park (D'arcy Street).

The PIC will be held in the Council Chambers located at the Town of Newmarket's Municipal Offices (395 Mulock Drive). Drop-in any time from 6 to 8 p.m. to learn more about this project.

The purpose of the PIC is to provide an opportunity to review and provide feedback on: the existing study area conditions, the evaluation of alternative solutions, the recommended alternative solution and the potential impacts and proposed mitigation measures associated with the preferred solution.

The work is expected to commence in the fall of 2016 subject to a successful funding application to Environment Canada.

Project drawings will be on display and representatives from the Town's Development & Infrastructure Services Commission, Engineering Services, representatives of the Lake Simcoe and Region Conservation Authority (LSRCA) and the Town's consulting engineers (AECOM) will be available to answer questions and provide information.

This project is being undertaken in accordance with the Municipal Class Environmental Assessment process (as amended in 2015).

If you are unable to attend the PIC and have questions regarding this project or require the information in an alternate format, please contact:

Jen Slykhuis, Sr. Environmental Coordinator
Engineering Services, Town of Newmarket
