Magic Show with Scott Dietrich

We are excited to welcome children's magician and author, Scott Dietrich to kick-off the TD Summer Reading Club. Having been voted the "Best Children's Entertainer" in the GTA for 8 consecutive years, your family is sure to be in for a treat. The secret ingredient in each of Scott's performances is the children, who are the real stars, and participate throughout. Your little ones will even learn how to do some jaw dropping magic.

Saturday June 18, 2022

Time: 2:00 – 2:40 p.m.

Ages: 3 – 12 years

Location: Library Multipurpose Room

Cost: \$8/person

Register for this program

TD Summer Reading Club 2022

It's a summer tradition of reading enjoyment for children ages 6 to 12. Log the books you read, earn badges, a completion certificate, and get a rewards package that can be picked up at the library from August 23 to September 24.

For ages 3 to 5 there is the Read To Me club, and parents can record the books that they read to their child.

This summer explore magical worlds where creatures of fantasy roam and adventure is around every corner. Through books, programs and conversations kids can enjoy the world of once upon a time... by discovering different myths and legends of the world.

You can join in the fun by registering online through **READSquared**.

Prize draws will also take place near the end of summer. Children's Services have organized several summer reading club events for participants (find them under 'Events' on the registration webpage).

Visit the TD Summer Reading Club webpage for more reading fun

Register now for a cool summer of great reading

Look for the TD SRC button on the NPL website beginning June 18. If you signed up for a reading program before you can use the same account.

For more information on upcoming programs check our Programs and Activities calendar at

newmarketpl.ca

Summer Reading Club Programs

Members of the TD Summer Reading Club are welcome to join us for some terrific programs this summer with activities, games, and stories.

All programs are free and take place in the Library's Program Room.

Register now for these programs

Mermaids

Wednesday, July 6

Ages: 3-5 years

Come join us for this mermaid inspired program where we will read stories and participants will create their very own special mermaid necklace.

Castles

Wednesday, July 13

Ages: 6-8 years

Come and listen to stories about myths and legends! Discover the wonder and magic of castles, then make your own mosaic art castle with colourful paper scraps.

The Three Little Pigs: An Artsy-Crafty Storytime

Wednesday, July 20

Ages: 3-5 years

Create your very own picture book by re-creating the story of The Three Little Pigs using different art materials. Build using your imagination to create unique picture books.

Disney Fairytale Villains vs. Disney Heroes

Which will you be? A hero or a villain? Includes a quiz to see which one you are along with a craft and storytime. Build your own mask, whether it be a prince, princess, or a villain!

Wednesday, July 27

Ages: 6-8 years

Time: 2:00 – 3:00 p.m.

Teen Programs

Teen Summer Reading Club 2022

A summer of great reading awaits you in the library's Teen Summer Reading Club. This year registration is through READSquared. Look for the TD SRC button on the NPL website beginning June 18. If you signed up for a reading program before you can use the same account. Dive into some great books and keep track of the number you read, all while earning points toward a certificate of completion (the reading club ends on Aug. 23). You'll also be eligible for a prize draw at the end of the summer. There's also a recommended reading list, and games you can play. Register now for a summer of great reading

Adult Programs

Let's 3D Print With Multiple Colours - Online

Take your 3D printing to the next level and learn to print with multiple colours! We'll explore how to prepare files to use in our Ultimaker 3 dual extrusion printer, as well as change colours at layer height on a single nozzle printer. Everyone is welcome to join to learn, but to use the 3D printers in NPL's Maker Hub you will have to complete the 3D printer certification course (currently offered virtually). If you would like to get certified, visit our Maker Hub page and look under the headline 3D printers, then the headline 'Use the 3D printers yourself' to learn how to get certified.
