

Community Cleanup

Presented by

Information Kit

1. At a time of your discretion, choose a public park, green space or trail in Newmarket to cleanup (some target locations are listed on the back).
2. Protect yourself! Please follow the safety tips listed below during your cleanup.
3. When you are finished, please leave your garbage bags, recycling bags, and large items by the permanent garbage receptacles in the park. If there are no permanent receptacles in the park, please place bags by the curb or by a numbered light post within the green space or trail where Town staff can then come to collect.
- 4. Complete the survey at newmarket.ca/communitycleanup to let us know what area you cleaned, where you left your garbage bags and if there are any dangerous or large items that staff need to know about.**
- 5. All participants who complete the survey will have the opportunity to enter our Community Cleanup Draw Prize and win one (1) of three (3) \$100 Gift Cards from New Roots Garden Centre courtesy of TD Bank.**
- 6. We would love to see your before and after photos and videos** so show us by tagging @TownOfNewmarket and use the hashtag #icleanup

Safety Tips and Things to Remember

- You can clean at whatever time you choose so be sure to use your discretion when choosing a day, time and location to ensure your safety. Please do not go outside to clean in inclement weather such as thunder/lighting, high winds, rain etc.
- Please stay off private property.
- Please avoid potential dangers such as railway tracks, rivers, river banks and road ways.
- Ensure you wear vinyl or nitrile gloves while picking up waste.
- Place garbage in the black bags and recycling in the clear bags.
- Please do not pick up dangerous objects such as broken glass, needles, sharp objects or dead animals.
- If you come across any dangerous items please leave them where you found them and notify the Town of their location by completing the survey at newmarket.ca/communitycleanup so the item can be disposed of safely.
- If an item is too large to move to the garbage can, please leave it where it is and include it's location in your the survey at newmarket.ca/communitycleanup.
- All children participating under the age of 12 should be supervised by an adult.
