**DEVELOPMENT AND INFRASTRUCTURE SERVICES
INFORMATION REPORT
COMMISSIONER 2014-29**

TO: Mayor and Members of Council
SUBJECT: Capital Works 2011-2014
ORIGIN: Commissioner of Development & Infrastructure Services

In accordance with the Procedure By-law, any Member of Council may request this Information Report be placed on an upcoming Committee of the Whole agenda for discussion.

COMMENTS

The information contained in Appendix A was requested by a Member of Council. In accordance with our policy, this information is being circulated to all Members of Council.

The information contained in Appendix A outlines the works done for the years 2011 through 2014. This includes roadwork such as reconstruction and rehabilitation, as well as trail works. The listing also includes playground replacement and playing field work.

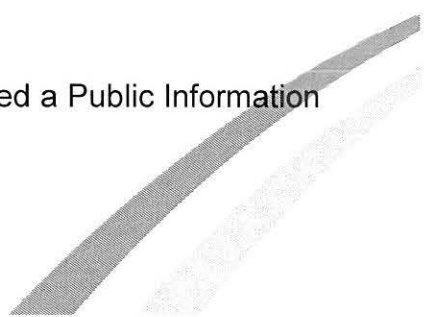

BUSINESS PLAN AND STRATEGIC PLAN LINKAGES

Living Well & Well Equipped and Well Managed

Provide efficient, effective and environmentally sound maintenance services to an appropriate level that achieves Council and/or Provincially mandated services levels, which meet public health and safety requirements and enhances quality of life while ensuring that system capital assets retain their value and are managed and funded according to sustainable, lifecycle based principles and practices

CONSULTATION

Public consultation took place on the projects where our procedures required a Public Information Centre.

HUMAN RESOURCE CONSIDERATIONS

Not applicable to this report.

BUDGET IMPACT

Capital budgets amounts for these projects were approved by Council under the regular budget process each year.

CONTACT

For more information on this report, contact: Robert Prentice, Commissioner of Development & Infrastructure Services at extension 2201.

R. Prentice,
Commissioner of Development & Infrastructure Services
