

# COVID-19 Exposure at Newmarket Senior's Meeting Place on February 22 and February 24

**Notice Date: March 2, 2020**

York Region Public Health is investigating an exposure to a confirmed case of COVID-19 that took place at the Newmarket Senior's Meeting Place (474 Davis Drive, Newmarket, ON) on February 22 and February 24. The purpose of this notice is to advise individuals who attended this location on these dates and times in the table below about the exposure and any public health actions that should be taken.

**Public health has already followed-up with all close contacts associated with this confirmed case.**

The risk of acquiring COVID-19 without close contact with an infected individual is low. However, York Region Public Health is making you aware of this exposure should signs and symptoms develop.

Exposure Date, Times and Locations	What should I do?	What if I become ill?
<b>February 22, 2020</b> 9:00 a.m. to 9:30 a.m. Badminton Courts	Monitor your signs and symptoms for any new onset of cough, fever or shortness of breath until March 7, 2020	<ol style="list-style-type: none"><li>1. Contact your health care provider or Emergency Department to let them know of your exposure and symptoms.</li><li>2. Take a private vehicle (no public transit)</li><li>3. Report to triage and wear a mask to prevent transmission to others.</li><li>4. Be assessed and/or tested by a physician</li></ol>
<b>February 24, 2020</b> 12:30 p.m. to 3:00 p.m. Lunch and Mah-jong	Monitor your signs and symptoms for any new onset of cough, fever or shortness of breath until March 9, 2020	

All York Region residents can take the following steps to protect themselves not only from new and emerging diseases but also from the common cold and the flu:

- Wash your hands often with soap and water or alcohol-based hand sanitizer
- Sneeze and cough into your sleeve
- Avoid touching your eyes, nose or mouth
- Avoid contact with people who are sick
- Stay home if you are sick
- Increase cleaning and disinfection of high-touch surfaces like toilets, sink tap handles, doorknobs, countertops, etc. using regular household cleaners
- Avoid sharing toothbrushes, eating utensils drinks/water bottles and towels
