Central York Fire Services Incident Report

Incident Type: Structure Fire

Date: Saturday, April 16, 2016

Time of Call: 6:35 p.m.

Ward: 1

Address / location of incident: 16625 Leslie Street, Newmarket

Description: Central York Fire Services (CYFS) responded to a structure fire on Leslie Street in Newmarket. Upon arrival, the first Officer on scene reported heavy smoke and fire from the second storey of the residential home. All six on-duty fire crews worked collaboratively and were joined by York Regional Police and York Paramedics for assistance as required. CYFS Fire Prevention Investigation and Office of the Fire Marshal have been notified and are working together to determine the cause of the incident.

Cause of incident: To be determined.

Casualties / Injuries: There are no reported injuries.

Community Impact: Leslie Street was closed from Mulock Drive to Ivsbridge Boulevard.

Current Status: The fire was extinguished by CYFS fire crews. CYFS Fire Prevention Investigation along with the Office of the Fire Marshal are continuing their investigation.

Resources Used: CYFS had all six on-duty fire crews on scene. York Regional Police and York Paramedics also assisted as required. Mutual aid was requested from East Gwillimbury and Richmond Hill for station coverage.
