I met with the Mayor to discuss the remuneration web page. He liked the content and suggested the policy content precede the remuneration by office, which makes sense. He was also in favor of including a link to the chart showing remuneration specific to each Member of Council to be updated annually. He felt this would be more transparent and help clarify which information is required to be reported under the salary disclosure legislation. It makes sense for Council when this is posted as well (perhaps coming from Bob or Anita).
