When the research was done the adjustment to the Regional Councillor role was not anywhere near as significant as that of the Mayor. His saw a jump of approximately \$18,000. The Regional Councillor was to see approx. \$5,000 increase and the Councillors were not to receive any. Council's decision to adjust the Councillors' salary by \$12,000 over 3 years resulted in the Councillor rates being more closely aligned with the Regional Councillor rates. We'll have to see what they want to do next.

The municipal level of remuneration for Council members as of the next term of Council is as follows:

Mayor	\$84,085
Regional Councillor	\$48,627
Councillors	\$43,634

I'm not sure where some of the numbers came from that you have noted below. They don't seem to match my previous email. I have sent an email to Bob Shelton as well to let him know what the rates are so he can give the Mayor and Regional Councillor a heads up as well.

Lynn, based on what you've indicated along with the Payroll info on the Region's this is what I have for salaries – pls. confirm that the Mayor's will really be \$35K more than the regional – that seems to be a huge gap....

Next term of Council (beginning December 1, 2010).

Office	Town of Newmarket	Region of York
Mayor	\$84,100	\$47,500
Regional Councillor	\$48,650	\$47,500
Ward Councillor	\$43,600
