REGULAR COUNCIL MEETING

RESOLUTION

Tuesday, August 11, 2026

Resolution # RC26159	Meeting Order: 6
Moved by: 	Seconded by: 

WHEREAS the Canadian Centre for Policy Alternatives (CCPA) has identified that Ontario hospitals are significantly underfunded relative to the growing demand for health care services; and

WHEREAS the CCPA's report, Failure by Design, identifies that smaller and rural hospitals are disproportionately affected by provincial underfunding; and

WHEREAS rural communities, including the Municipality of Wawa, depend on stable and adequately funded hospitals to provide timely access to emergency, acute, and specialized health care services; and

WHEREAS prolonged emergency department wait times, increasing health care costs, staffing shortages, and limited capacity continue to place significant strain on Ontario's health care system; and

WHEREAS maintaining access to high-quality health care services is essential to the health, safety, economic development, and long-term sustainability of northern and rural Ontario communities;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the Municipality of Wawa hereby supports the Municipality of Central Manitoulin and the Municipality of Northeastern Manitoulin and the Islands in their request that the Province of Ontario provide immediate and sustained funding to strengthen Ontario's hospital system, including increased operating funding for small and rural hospitals to address capacity pressures, improve patient care, and reduce emergency department wait times; and

The Corporation of the Municipality of Wawa

REGULAR COUNCIL MEETING

RESOLUTION

BE IT FURTHER RESOLVED THAT a copy of this resolution be forwarded to:

- The Honourable Doug Ford, Premier of Ontario;
- The Honourable Sylvia Jones, Deputy Premier and Minister of Health;
- Bill Rosenberg, MPP, Algoma–Manitoulin;
- The Association of Municipalities of Ontario (AMO);
- The Rural Ontario Municipal Association (ROMA);
- The Municipality of Central Manitoulin;
- The Municipality of Northeastern Manitoulin and the Islands; and
- All Ontario municipalities for their consideration and support.

Seconded By: Councillor John van Klaveren

Support for Sustainable Provincial Grant Funding for Fire Services in Ontario

WHEREAS Municipal fire services in Ontario operate under legislative authority established by the province through statutes, regulations, codes, and prescribed standards governing training, equipment, certification, inspection, and operational requirements;

AND WHEREAS municipalities are responsible for implementing and maintaining compliance with these provincially mandated requirements primarily through local property taxation;

AND WHEREAS current provincial fire service grant programs are available to both full-time and volunteer fire departments across Ontario and are distributed through competitive application processes that may not fully reflect the differing financial and administrative capacities of urban and rural municipalities, highlighting the need for a more balanced approach to funding that supports all fire services equitably;

AND WHEREAS volunteer firefighters represent approximately **70–75% of firefighters in Ontario**, protecting the majority of communities across the province and, particularly in rural areas, are frequently **the first emergency responders to arrive on scene ahead of other emergency services**;

AND WHEREAS other provincially regulated emergency services, including policing and paramedic services, receive stable and predictable provincial funding contributions or cost-sharing arrangements;

AND WHEREAS the absence of a comparable and stable funding model for fire services creates a structural imbalance between provincial regulatory authority and municipal financial responsibility;

AND WHEREAS reliance on competitive funding creates budget uncertainty, limits long-term financial planning, and may not reflect the actual operational needs of fire services, contributing to instability, reduced preparedness and the reduction of services within a critical emergency response sector;

AND WHEREAS stable and predictable funding is essential to maintain emergency preparedness, firefighter safety, service sustainability, and equitable protection for residents regardless of municipal size or tax base;

NOW THEREFORE BE IT RESOLVED THAT

The Council of the Town of Plympton-Wyoming respectfully calls upon the Province of Ontario to **transition the current practice of competitive provincial fire service grant programs into a permanent, stable, and predictable non-competitive provincial funding program** that supports municipalities in meeting provincially legislated fire protection requirements;

AND FURTHER THAT this funding be structured to provide equitable and predictable annual support for **operational readiness and training costs associated with volunteer, composite and full-time fire departments across Ontario**;

AND FURTHER THAT the annual value of this funding be reviewed and adjusted to more appropriately reflect the level of provincial funding support currently provided to other provincially regulated emergency services, including policing and paramedic services;

AND FURTHER THAT this resolution be circulated for endorsement to:

- The County of Lambton
- Lambton County Fire Chiefs Association
- All municipalities
- Ontario Association of Fire Chiefs
- Ontario Professional Fire Fighters Association
- Ontario Volunteer Fire Fighters Association
- Association of Municipalities of Ontario
- Rural Ontario Municipal Association

AND FURTHER THAT, upon endorsement, this resolution be submitted to:

- Steve Pinnsoneault MPP Lambton-Kent-Middlesex
- Bob Bailey MPP Sarnia-Lambton
- The Honourable Michael Kerzner, Minister of the Solicitor General
- The Honourable Kinga Surma, Minister of Infrastructure
- The Honourable Rob Flack, Minister of Municipal Affairs and Housing

Re: Funding for Official Plan and Comprehensive Zoning By-law Reviews

Dear Premier Ford,

On behalf of the Council of the Corporation of the Town of Latchford, I am writing to provide you with a copy of Resolution No. 26/150, adopted by Council on August 18, 2026.

Small, rural and northern municipalities require current Official Plans and Zoning By-laws to support housing, attract investment, encourage economic development and responsibly plan for infrastructure and municipal services. However, completing comprehensive reviews of these documents can place a significant financial burden on municipalities with limited tax bases, staffing capacity and financial resources.

The Town of Latchford recently applied to the Northern Ontario Heritage Fund Corporation for assistance with modernizing its land-use planning framework. The Town was advised that stand-alone studies are not eligible under the current program guidelines. This funding gap may force smaller municipalities to delay necessary planning updates or redirect limited municipal funds away from other essential services.

Council is respectfully requesting that the Government of Ontario establish a dedicated, sustainable and recurring funding program to assist municipalities with the costs of reviewing and updating Official Plans and Comprehensive Zoning By-laws. The program should recognize the differing financial and administrative capacities of municipalities and provide enhanced assistance to small, rural, northern and lower-tier municipalities.

Eligible expenses should include professional planning services, technical studies, public and Indigenous consultation where applicable, mapping and geographic information system updates, growth analyses, servicing and infrastructure assessments, and other supporting work required to develop modern and effective planning documents.

We respectfully ask your government to recognize Official Plans and Zoning By-laws as critical housing-enabling and economic development infrastructure. Providing municipalities with the resources to complete this important work will help remove barriers to development, create greater certainty for residents and investors, and better position communities across Ontario for responsible and sustainable growth.

Thank you for your consideration of this request. We would welcome the opportunity to discuss this matter further with you or the appropriate provincial representatives.

Kindest Regards,

MRobinson

Malorie Robinson

CORPORATION OF THE TOWN OF LATCHFORD RESOLUTION

Resolution No.: 26/150

Date: August 18th, 2026

MOVED BY: Councillor Newell

SECONDED BY: Councillor McDonald

Whereas, municipalities are required to plan for responsible growth, housing, economic development, infrastructure, environmental protection and the long-term needs of their communities through comprehensive land-use planning documents, including Official Plans and Zoning By-laws;

And whereas, Official Plans and Zoning By-laws must be periodically reviewed and updated to ensure they remain consistent with current provincial legislation, policies, community needs, development pressures and opportunities for economic growth;

And whereas, the cost of undertaking comprehensive Official Plan and Zoning By-law reviews can represent a significant financial burden, particularly for small, rural and northern municipalities with limited tax bases, staffing capacity and financial resources;

And whereas, outdated planning documents can create barriers to residential, commercial and industrial development, limit a municipality's ability to respond to changing economic opportunities, and make it more difficult to identify and prepare lands for future growth;

And whereas, modern and current planning documents provide municipalities, residents, businesses and investors with greater certainty regarding where and how development can occur and allow municipalities to proactively plan for housing, employment lands, infrastructure and municipal services;

And whereas, investment in municipal planning is an investment in economic development, housing readiness and community growth, as updated Official Plans and Zoning By-laws can help municipalities remove unnecessary barriers to development and establish clear policies to support new investment;

And whereas, the Town of Latchford applied to the Northern Ontario Heritage Fund Corporation (NOHFC) for assistance with the modernization of its land-use planning framework and was advised that stand-alone studies are ineligible under the current NOHFC program guidelines;

And whereas, municipalities should not be required to choose between funding essential municipal services and undertaking the comprehensive planning work necessary to position their communities for future housing and economic growth;

Now therefore be it resolved that, the Council of the Corporation of the Town of Latchford hereby calls upon the Government of Ontario to establish a dedicated and

sustainable funding program to assist municipalities with the costs associated with reviewing, updating and modernizing Official Plans and Comprehensive Zoning By-laws;

And further that, such a funding program recognize the differing financial and administrative capacities of municipalities and provide enhanced funding opportunities for small, rural, northern and lower-tier municipalities where the cost of comprehensive planning reviews can represent a disproportionate burden on the municipal tax base;

And further that, eligible costs include, but not be limited to, professional planning services, technical studies and background reports required to support Official Plan and Zoning By-law reviews, public and Indigenous consultation where applicable, mapping and geographic information system updates, growth and development analysis, infrastructure and servicing assessments, and other supporting work necessary to establish modern and effective municipal planning documents;

And further that, the Province recognize municipal Official Plans and Zoning By-laws as critical economic development and housing-enabling infrastructure that provide the regulatory foundation necessary to support investment, development and sustainable community growth;

And further that, consideration be given to establishing a recurring funding intake so municipalities can undertake required planning reviews proactively rather than delaying necessary updates because of financial constraints;

And finally that, a copy of this resolution be circulated to the Premier of Ontario; the Minister of Municipal Affairs and Housing; the Minister of Finance; the Minister of Economic Development, Job Creation and Trade; the Minister of Northern Economic Development and Growth; the Minister of Infrastructure; the Federal Economic Development Agency for Northern Ontario (FedNor); John Vanthof, MPP for Timiskaming—Cochrane; Pauline Rochefort, MP Nipissing-Timiskaming; the Association of Municipalities of Ontario (AMO); the Federation of Northern Ontario Municipalities (FONOM); the Northwestern Ontario Municipal Association (NOMA); the Rural Ontario Municipal Association (ROMA); and all municipalities in Ontario, requesting their support and endorsement of this resolution.

Re: Elimination of the Workplace Safety and Insurance Board's Second Injury and Enhancement Fund (SIEF)

At its meeting of August 20, 2026, Council considered the Notice of Motion from Councillor Giddings regarding the Elimination of the Workplace Safety and Insurance Board's Second Injury and Enhancement Fund (SIEF) and passed the following motion:

Motion No. THC-260820-21

Moved by Councillor Daniel Giddings
Seconded by Councillor Gene Brahaney

Whereas the Workplace Safety and Insurance Board (WSIB) eliminated the Second Injury and Enhancement Fund (SIEF), effective June 16, 2026, ending a long-standing cost relief program that assisted employers where pre-existing conditions contributed to the cost or duration of workplace injury claims; and

Whereas municipalities are significant employers of workers performing physically demanding duties and may experience increased WSIB costs as a result of the elimination of SIEF; and

Whereas the Second Injury and Enhancement Fund was established to provide cost relief to employers when pre-existing conditions significantly contributed to workplace injury claims, thereby encouraging employers to hire and retain workers with disabilities and pre-existing medical conditions; and

Whereas the Workplace Safety and Insurance system was established to provide a fair and balanced insurance system that protects both workers and employers; and

Whereas increased workplace insurance costs have the potential to place additional financial pressures on municipal operating budgets and property taxpayers;

Now Therefore Be It Resolved That the Council of the Municipality of Trent Hills respectfully requests that the Province of Ontario and the Workplace Safety and Insurance Board review the impacts of eliminating the Second Injury and Enhancement Fund (SIEF) consult with employers, municipalities, labour representatives and other stakeholders, and consider modernizing or revising the program rather than eliminating employer cost relief altogether, including by modernizing, revising or replacing the current program with an improved cost-relief mechanism that continues to fairly recognize the impact of pre-existing conditions.

Be It Further Resolved That a copy of this resolution be forwarded to:

- The Honourable David Piccini, Minister of Labour, Immigration, Training and Skills;
- Development and MPP for Northumberland-Peterborough South;
- The Honourable Doug Ford, Premier of Ontario;
- All Members of Provincial Parliament in Ontario;
- the Workplace Safety and Insurance Board;
