## Western Creek Restoration Project at 145 Millard Ave. (Haskett Park)

The Lake Simcoe Region Conservation Authority, in partnership with the Town of Newmarket, are planning to complete some creek restoration work along Western Creek at Haskett Park.

The first phase will be completed on November 10, 2026, and will be contained on Town of Newmarket property, with no impact to residential properties. Access to the park will not be interrupted during construction.

### CONSTRUCTION DATE
November 10, 2026

### HOURS OF CONSTRUCTION
7:00 a.m. to 7:00 p.m.

### FOR YOUR SAFETY
Construction sites can be hazardous and pose many hidden dangers. We ask that all residents, especially children, stay clear of the work area, even when the Contractor is not on site. Safety is in everyone's best interest.
